

## Sending Duffels to Camp

Myles Silberstein, at (888) 599 4036 (or 4037), will offer parents in NY, CT, NJ, MA, FL, MD, D.C., and PA, an opportunity to have bags shipped from home directly to camp and back again for a small fee.

This will ease travel to camp and lessen handling of luggage by parents or camp staff. He is efficient and skilled in contacting parents and handling luggage. Parents not shipping with Silberstein, should send the trunks ahead UPS (make sure to insure), but this means more handling for us on site. We have had delivery problems with UPS, so if you can use Myles Silberstein's Trucking Company, you should!

**Campers flying to camp MAY NOT check bags on the plane!**

**There are NO porters.**

**All duffels (trunks) should be shipped by Silberstein,  
UPS, or Federal Express.**
